Charlotte's Web

*"You have been my friend.
That in itself is a tremendous thing."*

Directors' Note:

Charlotte's Web will occupy a special place in the hearts of all these children and their parents after living it every minute for the past week of rehearsal. This is a magical story about an unlikely friendship between a spider and a pig who became best friends.

Take a chance on someone today. You may find out that they're terrific, or radiant, or humble. They may change your life.
