## Hans Christian Andersen

Although a prolific writer of plays, travelogues, novels, and poems, Andersen is best remembered for his fairy tales. Andersen's popularity is not limited to children: his stories express themes that transcend age and nationality.

Andersen's fairy tales, of which no fewer than 3381 works have been translated into more than 125 languages, have become culturally embedded in the West's collective consciousness, readily accessible to children, but presenting lessons of virtue and resilience in the face of adversity for mature readers as well.

His most famous fairy tales include "The Emperor's New Clothes", "The Little Mermaid", "The Nightingale", "The Snow Queen", "The Ugly Duckling", "The Little Match Girl" and "Thumbelina".
